 BACKFILL A HISTORICAL SNAPSHOT

Historical Customer Export

Choose File

No file chosen

Snapshot Date (historical, as-of date this file represents)

mm/dd/yyyy

Note

e.g. Q1 2025 export

 Import Backfill

Same column format as the main customer import (VIP ID, PHONE NO., VIP GRADE, ...). This does not modify live customer data — it only creates a snapshot for the date you choose.

 Members per Grade — Comparison
